Withdrawal Stage

Explore your interests and develop your strengths

- Advanced Elective Modules, Applied Subjects, Applied Learning Programme
- Work attachments; community/volunteer work
- Course-related school/personal activities, achievements and projects, CCAs

Research on poly courses you're interested in and related careers

- EAE talks and workshops, course counselling booths at polys
- Online research
- Talk to your teachers, ECG Counsellors, family/relatives

Prepare for your application

- Prepare 600-character write-ups on why you are interested in the courses, relevant skills/activities/experiences
- Prepare relevant documents, e.g. portfolio, evidence of relevant experiences/involvement, CCA record
- Prepare for your interview

3
things
to do

1

important
point

EAE is an **aptitude-based admissions** exercise that allows you to apply and receive a conditional offer for admission to polytechnic based on your **aptitudes and interests** before taking your O-Level exams.

If you choose not to apply to the polytechnics through EAE, you may still do so through other admissions exercises, like JAE.

2

criterion

EAE is open to:

- Students who are Singapore Citizens/Permanent Residents and registered for O-Levels in year of EAE
- International Students in Government, Government-aided or Independent Schools who are registered to sit for O-Levels in year of EAE

To confirm a conditional offer, you will need to:

- Obtain net ELR2B2 of 26 points or better at the O-Level exams
 - Meet Minimum Entry Requirements for the course
- If you accept and confirm your offer, you will not be eligible to participate in the 2017 Joint Admissions Exercise (JAE)
